About your first seethelight bill

Welcome to seethelight. We hope everything is going well so far with your services.

Your first bill is likely to be larger than normal, because we charge you from the day your services are activated, and then one month in advance. All usage charges are billed in arrears, for example, with regards to your telephone service, you will be billed for the calls you have already made. It will settle down after this bill.

Summary of account

Balance on account £0.00
 This Bill's Charges £40.27

AMOUNT NOW DUE: £55.65

This is not a tax invoice.
This invoice is for information purposes only. The amount due will be collected from your bank account by Direct Debit on or just after June 17th 2024.

Bill date
 This is the date your bill was generated. If you have an e-billing account, this will be sent to your email address

Due date
 We usually require payment within two weeks of the bill being sent. If a bill is due for payment on a weekend or bank holiday, the payment will be collected the first working day afterwards

Balance on account
 As this is your first bill, there will not be a balance

This bill's charges
 Your first bill will be for higher than advertised, as you will pay from the day your services were activated and one month in advance

About your first bill
 This explains that your first bill will be slightly higher due to 'part-month' charges
